

26th June 2017

Dear Parents,

On Thursday morning, 29th June, Year 1 will going on a local walk to High Broom Woods, which is a haven for a range of insects, birds, animals and flora and provides a rich and valuable habitat for this wildlife.

Please make sure your children are wearing their PE kit for this trip (including sweatshirts and jogging bottoms as there are a lot of nettles and they need to have their arms and legs covered). We will have the welly boots at hand should we need them. In case of terrible weather, we will postpone the trip to the following week.

Please sign the slip below and return to it to as soon as possible.
Thank you.

.....

I agree to my child

participating in the walk around High Broom Woods,
