

Dear Parents

Trip to Lady Land Farm reminders

- Please ensure that your child has wellington boots in school as they will need to be worn to the farm.
- Please bring into school a named carrier bag for their trainers so that they can remove their boots to go back onto the coach to go home.
- Packed lunches should be in a plastic box and placed in a backpack. Carrier bags are **not** permitted by Lady Land Farm for health and safety issues and to keep their lunch safe from magpies!
- Please apply an all day sunscreen in the morning.
- Please provide a separate snack for the morning and enough water for the day.
- Sunhats are essential!

Many thanks

Pre-Prep Staff
