

## YEAR 2

### KS1 TESTS IN MATHS AND ENGLISH

The maximum score possible is 115, and the minimum is 85

A score of a 100 or above means a child is working at the expected standard

A score below 100 indicates a child needs more support

What matters most is that for your child in Year 2, these tests form just one part of the overall assessment. We will use the results to help us decide how best to support your child.
