

## YEAR 5 SCIENCE TRIP

Thursday 13<sup>th</sup> September 2018

Dear Parents,

As part of our Science topic 'Earth, Sun and Moon', we have arranged a visit to the National Maritime museum on Wednesday 26<sup>th</sup> September. We will be participating in a 'Discovery Day', made up of a planetarium show and workshop. We will travel by train leaving school 9.15 am and will return by 4.00 pm. Should there be any delays the school will contact you.

Children must wear smart school uniform with their blazers and bring their waterproof school coat if the weather looks wet. All children will also need a packed lunch. If you would like a packed lunch provided by the school, please indicate on the form below along with their sandwich preference.

The cost of the visit will be £5.00 which will be added to your termly invoice and reply slips should be returned by Wednesday 19<sup>th</sup> September. If you are able to help on the visit please email Miss Slim and we will let you know if we require your help.

We are sure that this will be a fantastic visit to support the children's learning in Science and if you have any questions please do not hesitate to contact us.

Miss Bonner & Mrs McHugh
