

Dear Year 6 Parents,

I am delighted to say that I would like to invite George to take part and be a committed member of our St David's team for the following event.

We have entered the 'First Lego League' tournament! The tournament will take place in Canterbury on Wednesday 5<sup>th</sup> December 2018. If taking part in the tournament, your child must do their best to attend all November meetings. It will be a serious commitment and if they could attend at least 2 out of 3 each week that would be excellent. Meetings will take place on a Wednesday and Thursday lunch break and Thursdays after school until 5pm. They will need to sign a pupil 'contract' along with the parent contract below.

We will be taking a team of 2-10 pupils from Year 6 and will be accompanied on the day by Mrs Sowter. More details of the actual day's arrangements will follow when the team has been finalised. It will be a whole day event.

Please could you let me know if you are happy for your child to be part of this exciting event and if so, return the signed contract asap. I highly recommend looking at the [firstlegoleague.org](http://firstlegoleague.org) website for more details of what we are up to!

Many thanks and I await your reply,  
Mrs F. Campbell

**Parent Contract – First LEGO League Tournament 2018**

I agree to allow my child \_\_\_\_\_ to participate on the First Lego League team.

I agree, in the proper spirit of FLL, not to interfere with the team's solutions. All creations, inventions, ideas, must come from the team members.

I agree to make every effort to effort to have my child attend every team meeting. These happen every Wednesday and Thursday lunch break and on Thursdays afterschool til 5pm. If there is a conflict, I will notify Mrs Campbell as soon as possible. I understand that my child has a commitment to his/her team.

I realise that my child's team coach will be contributing time and effort to provide a rewarding experience for the team. I will co-operate and be as helpful as possible.

I am aware that my child will be using computers with internet access for research and robot programming.

I understand that pictures of my child may be taken at team meetings or field trips. Photos may be used to document team activities and for team presentation material.

I agree to discuss the student contract with my child.
