We were incredibly proud, when we heard that our wonderful catering team were shortlisted as a finalist for 'Team of the Year' at this year's annual People Awards Evening. This is a fantastic achievement and well-deserved recognition for all they do.

A HUGE thank you to parents, children and staff for making our 'special visitors' from ISI feel so welcome during their 3 day visit this week. For those of you who filled in our survey, we really appreciate your support. Watch this space...

YEAR 1 ASSEMBLY

Linking in nicely with the school's recent Eco-Schools Bronze Award, Year 1 presented the play 'Eddie and the Penguins Save the World' to their parents and the school in Monday's assembly. The story highlighted the plight of animals affected by climate change and lively songs delivered strong messages about saving energy, recycling, walking/scooting/cycling to school and deforestation.

Year 1 thoroughly enjoyed performing to such a large audience and have taken the messages to heart.

'I liked having my daddy there, he was waving at me and I was happy'

'I was shy because there was a big audience and I was proud about how I said my words'

'I felt nervous because there was a really big audience and I had to shout because my mum was right at the back'

'I felt a bit embarrassed at the start and then I wasn't nervous after that. My mum and dad said I was good.'

'I liked being a lumberjack'

FAREWELL

Sadly, Mrs Stock and Mrs Thorpe will both be retiring at the end of the school year. Both are treasured members of staff who have been with us at St David's for many years. I am sure you would all like to join us in donating towards a leaving gift for them both. Please could you place donations in a sealed envelope with their names and hand to the school office by Friday 5th July.
