

Dear Parents,

We would like to invite your child to the exciting **Trinity Galactic Challenge** which will be held at Trinity School on Wednesday 26th June! Please can you complete the attached form if you are happy for your child to attend the event and if your child can be included in photographs.

The Trinity Galactic Challenge is a day of creativity, inventiveness and teamwork. Set in the year 2060, student teams, or 'companies' will be tasked with designing a spacecraft to support a growing community on Mars. At the end of the day, the companies will each present their ideas to a panel of experts in a bid to become the prime contractor. Only one company will be selected to lead the project- so the challenge is set!

For the event, children should wear their PE kit along with their school blazers. They will not need to bring their school bag with them. Attached is an additional information sheet containing drop off and pick up times. Children will need to arrive at Trinity for 8.45am and we would appreciate if you could therefore drop your child straight to Trinity for this time. Siblings of children attending the event may use the early room free of charge. All the children will be provided with a lunch at the school and will not need to bring a packed lunch with them.

At the end of the day, parents are welcome to come and watch the teams' final pitches. Parents should arrive via the Main Reception at 2.45pm where refreshments will be available. The presentations, followed by questions from the Judging Panel will begin at 3.15pm followed by the Judges deliberations and prize giving at 4.15pm-4.40pm. If you are unable to watch the presentation, children should be collected from the main reception at 4.40pm.

This is a fantastic opportunity for Year 5 and we are really looking forward to it!

Kind regards,  
Miss Bonner
