

ETHOS

St David's actively grows young learners and leaders who are encouraged to promote the core values through their everyday experiences and opportunities in school. St David's develops every pupil, through a broad and holistic education, for a life at and beyond school. Our curriculum provides equal opportunities for all pupils, irrespective of differences they may have; we have no outsiders. Alongside the excellent academic education, our pupils develop a strong sense of community spirit, respect, kindness and support for one another and a willingness to work hard and with confidence. These are developed through our Language of Learning; *perseverance, resilience, self-motivation, independence, curiosity, creativity, responsibility, respect and kindness, and reliability.*

The school upholds Christian values, welcomes those of any or no faith and celebrates the diverse cultural traditions of our families. St David's is a supportive, kind and caring environment. Everyone is encouraged to show compassion, care and respect for all members of the wider school community.
